### **Bill Curtis:**

Bill - "Here is Sedan; buildings that otherwise may have been

▯ destined for the wrecking ball have been transformed  
▯ into exciting, vibrant, business and community gathering  
▯ places.

▯ Finding new value in items is a key to keeping our  
▯ environment safe and clean.

▯ Hello, I'm Bill Curtis. It's the same when you recycle  
▯ at your home or office. Materials that otherwise would  
▯ have been destined for the landfill can be transformed  
▯ into new things - such as packaging and building materials.  
▯ You can make a difference."
